

REMARKS

Applicants' attorney thanks the Examiner for his courtesy and helpfulness during their telephone conversation on September 30, 2008 discussing this amendment. The amendments herein requested for the Title, Specification and Abstract simply make the application conform to the allowable claims which describe apparatus and a computer program product. Recitations of 'method' have been replaced by 'apparatus' in the Title Specification and Abstract.

No new matter has been added, No amendments to any of the allowed claims is presented.

Applicants respectfully request that the amendments requested in this paper be entered in accordance with 37 CFR 1.312 under the Examiner's authority as specified in MPEP 714.16.

Respectfully submitted,

Andrea Pair Bryant, Reg. No. 28,191
